

# WE ARE HIRING!

## Database Administrator

*Infinity Innovators is a Sri Lankan based technology solution provider working towards empowering industries with innovative digital solutions in several fields including Education & Automobile Retail.*

We are seeking a skilled and motivated Database Administrator to join our dynamic team. As a Database Administrator, you will play a crucial role in maintaining and optimizing our database systems, ensuring data security, and supporting our mission-critical applications. The ideal candidate should have at least one year of industrial experience and a strong knowledge of, and interest in, PL/pgSQL.

### KEY RESPONSIBILITIES

- Manage and maintain our database systems, including monitoring, performance tuning, and troubleshooting.
- Ensure the security and integrity of our data.
- Collaborate with development teams to optimize database queries and support application development.
- Design, develop, and maintain PL/pgSQL functions, stored procedures, and triggers.
- Perform regular backups and recovery procedures.

### PREFERRED SKILLS

- Experience with cloud-based database platforms.
- Familiarity with other programming languages and technologies.
- Database certification(s) is a plus.

Interested candidates are encouraged to submit their resume, a cover letter highlighting their relevant experience, and any relevant certifications to [careers@infyinnos.com](mailto:careers@infyinnos.com). Please include "Database Administrator Application" in the subject line.

### QUALIFICATIONS

- Bachelor's degree in Computer Science, Information Technology, or a related field.
- Minimum of one year of industrial experience in database administration.
- Strong knowledge of PL/pgSQL, with a demonstrated interest in using it effectively.
- Proficiency in database management systems, such as PostgreSQL.
- Experience with performance tuning, query optimization, and troubleshooting.
- Knowledge of database security best practices.
- Excellent communication and teamwork skills.

### BENEFITS

- Competitive salary.
- Opportunities for professional growth and development.
- A collaborative and innovative work environment.
- Work on exciting projects with a highly skilled team.
